September 2020

Dear Members,

I hope that all of you had a safe and healthy summer and wish that the months and year ahead will also be safe and healthy for you and your families. We had a pretty good turnout at our summer social. With Odyssey just opening back up and our group practicing social distancing, it felt good to be together. Mike H also put together a summer social for the NKMSA group. Again it was nice to see some familiar faces and to catch up on the last couple of months.

We are getting the tucker put back together. One new track is on and the groomer is now back inside, to keep it out of the weather. The 2nd track is off and in the process of being put back together. Steve H is welding up some of the steel tracks to get them back into shape. Skip T has volunteered his shop for additional working space for this project. It is much appreciated!

Also thank you to all of our members that have turned in their club/AWSC memberships for renewal. We will be getting them sent into the AWSC office on a monthly basis. When you do complete your membership registration, please be sure to include your phone and email address. This really does make it easier to stay in contact and notify our members of upcoming events and/or changes to events. And, if you haven't heard, the AWSC Workshop scheduled for October has been cancelled. Our raffle license has been renewed and we are waiting for the official license to be sent to us, so we can proceed with the printing of the calendar raffle tickets.

In closing, I look forward to seeing all of you at our September 8th meeting. Our board meeting will be to 6:pm and our membership meeting at 6:30 pm at Odyssey Fun Center. Please continue to be safe, but also remember your club needs your support too.

Thanks,
Tim Sass
