

Dear Members,

Where was the snow in January and February – we could have used it to our advantage!

Our trail crews are now waiting for the snow and rain to stop so we can get out and remove the trail signage and markings and get our paperwork turned into the County. I would like to thank all of the crews that worked so hard to get the trails in and out, this season.

The AWSC Convention is now complete. Colleen and I attended and had a great experience – except for the drive up on Saturday morning. We left with a dusting of snow and by Denmark, Mother Nature had turned on the snow machine and there was easily 5” of snow and it was still coming down and blowing with white-out conditions. By the end of the storm Green Bay ended with about 15” of snow. Again, where was this in January and February!

At our March meeting we held elections for Vice President, Treasurer and Member at Large. Steve Hiers, Colleen Sass and Rick Yurk were re-elected to their respective positions. Thank you for accepting another 2-year commitment to our club.

At our April 11th meeting, we will be having our last large raffle drawing of the season. We will also have a crock pot of pulled pork, buns and chips to celebrate another snow season. Also, we will begin to sign up for the Sheboygan County Fair. Please plan to attend at 6:30 pm at Odyssey Fun Center for our general meeting. Our board meeting will begin at 6:00 pm.

Thanks, and have a great summer.

Tim Sass
President
